	Value transfers for research & development												- kr

Transfers of value can be salary, fees or other compensation for work performed, as well as compensation for overheads in connection with the execution of the assignment (e.g. travel, board, accommodation). Donations and sponsorships to the health care system (HCO) are also reported transfers of value.

Health care professional (HCP) refers to a doctor, dentist, pharmacist, nurse or other health care personnel who have the right to prescribe, purchase, provide, administer and distribute medicines, including suppliers of pharmaceutical companies whose main connection is to health and healthcare. Other employees of pharmaceutical companies are not included.
